MOTION TO ACCEPT REPLY COMMENTS

Pursuant to Section 1.46 of the Commission's rules, SBC Internet Services, Inc. (SBCIS) hereby requests that the Commission accept SBCIS's reply comments filed in the above-referenced proceeding.¹

Reply comments on Qwest's waiver petition were due on Monday, June 20, 2005. SBCIS attempted several times to electronically file its reply comments on June 20, but received error messages from the electronic comment filing system (ECFS). SBCIS contacted staff in the Secretary's Office regarding the error messages and was told to reattempt filing later in the day. SBCIS filed later on June 20 and received the attached confirmation from ECFS, but due to an apparent clerical error, an unrelated set of reply comments from a different docket was substituted for the reply comments SBCIS had intended to file in the instant docket. While searching ECFS on June 21, SBCIS discovered the mix-up and informed staff in the Secretary's Office. Staff advised SBCIS to refile its reply comment in the instant docket, which SBCIS did on June 21.

¹ 47 C.F.R. § 1.46.

Acceptance of SBCIS's reply comments will not prejudice any party because the reply comments were made publicly available only one day after reply comments filed by other parties. Moreover, because this proceeding is a permit-but-disclose proceeding, any party desiring to respond to SBCIS's reply comments (or any other party's reply comments) can do so through the Commission's processes for making *ex parte* presentations.²
